

Ice Cream Does

Wish that I could make you smile the way that ice cream does

Keep you cool for a little while the way that ice cream does

And it really doesn't matter what flavor it is, and it really doesn't matter what size

Just put a little ice cream in my hand and I'll be satisfied

See you Friday afternoon... the way that ice cream does

From July on into June...the way that ice cream does

And it really doesn't matter what flavor it is, and it really doesn't matter what size

Just put a little ice cream in my hand and I'll be satisfied

I - C - E C - R - E - A - M !

Wish that I could make you melt the way that ice cream does

Feel the best you've ever felt...the way that ice cream does

And it really doesn't matter what flavor it is, and it really doesn't matter what size

Just put a little ice cream in my hand and I'll be satisfied

And it really doesn't matter what flavor it is, and it really doesn't matter what size

Just put a little ice cream in my hand and I'll be satisfied

Do-Do-Do-Do-Do-Do-Do... the way that ice cream does

Do-Do-Do-Do-Do-Do-Do... the way that ice cream does
